November 13, 2001

Dear Sir or Madam:

This letter will serve as a 30 day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on the Selenium 50 mcg supplements under the Major brand name.

- Antioxidant that protects cells from harmful free radicals.
- Selenium is an essential trace mineral that plays many important roles in the body.
- As a component of the antioxidant enzyme, glutathione peroxidase, Selenium helps to protect cells from the harmful effects of free radicals.
- Selenium spares Vitamin E, which in turn boosts the cell's antioxidant defense system.
- Selenium plays a role in the structure of teeth.
- Selenium helps support the immune system.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Ona Scandurra, MS, RD
Director of Nutrition Communications
